Called Meeting – February 11, 2004**

**Members Present:** Guda Gayle-Evans, Steve Lang, Deanna Michael, Terry Rose, Bonnie Braun, Cynthia Leung for Barbara Frye. **Ex Officio Members:** Robert Egley – Faculty Council Liaison, Vivian Fueyo – Dean. **Absent:** Barbara Frye, Justine Schultz.

Meeting called to order at 10:00 AM by Chair Guda Gayle-Evans.

Dean Fueyo called this meeting in order to discuss in more depth issues surrounding the “way of work” within the College of Education. These issues were first brought up at the last College Council meeting, February 4, 2004. Dean Fueyo felt the need for continued dialogue in this area and to reaffirm the shared values of collaboration and cooperation between the faculty and the dean during this transition to our new administrative structure. A historical framework regarding the cultural values of the College of Education and the best ways of building upon this history to achieve the college’s new goals and directions was discussed. The need for more faculty input through the College Council, the newly established structure in the college, was also discussed.

These issues will be further discussed at the college wide faculty meeting to be held on Friday, March 5<sup>th</sup>, 2004.

Meeting was adjourned at 11:35 AM.

Respectfully submitted: Bonnie Braun
