

Application Information

GIS PLUGS Scholarship Application Instructions

“Promoting Learning for Understanding Geographic Systems”

This scholarship is to encourage and acknowledge GIS usage for unique studies/research. The award amount is a one-time gift of \$300. Applicants are expected to be undergraduate or graduate students from the University of South Florida, with research that includes the usage of geospatial technologies (GIS). This scholarship is open to ANY major, as long as the work has a spatial component utilizing GIS. Criteria for grading will be on the intellectual merit and originality of GIS application.

GIS PLUGS scholars will benefit from being mentored by USFSP and USF faculty, which will also facilitate activities designed to prepare student participants for successful careers.

DEADLINE: To be considered for this scholarship, ONLINE application must be submitted by November 21, 2008. The winner will be contacted via email by the 30th of November 2008. (This award is given once a year in conjunction with GIS Day – usually mid-November.)

The following required application materials must be completed ONLINE by November 30, 2008:

- ▶ Completed online application (including the following)
- ▶ Personal Statement (500 words or less)
- ▶ Scope of Research/Project-including GIS applications (500 words or less)
- ▶ Two references (preferably instructors)
