

We've aligned ourselves with the American Canoe Association's Program for Kayak and Canoe Instruction. We will teach the national curriculum using our kayaks and canoes. The **SmartStart** is perfect for those of you who have never been in a kayak or canoe. No experience is necessary. We'll teach you what you need to know to safely paddle our boats in our harbor and maybe even out to Tampa Bay.

Please Note: The SmartStart course or equivalent experience is required for any use of kayaks or canoes.

SmartStart instruction is available during the months of September and October every Wednesday and Sunday

Additional classes added November 4, 15, or 18

from 3:30pm-5:30pm

Pre-registration is required in order to reserve your seat in one of our boats

Appointments for private lessons may also be available, please contact The Waterfront for more information

We look forward to developing your kayak and canoe abilities! The cost of the clinic includes all necessary equipment including boats, paddles, and PFDs. Our clinics fill quickly and we do require a registration form along with full payment in order to reserve your spot in one of our boats. See registration form for payment details or stop in our office, Coquina 108 (COQ 108) directly next to the pool. Unfortunately we cannot guarantee your space until payment is received.
